

Outreach Explorations

Presented by:

Fifth Dimension Institute

www.CreativeConnectionsTTMA.com

Every educational facility and community group needs strong role models delivering positive messages to their students. Your mission is to transform today's youth into tomorrow's responsible adults. Our mission is to support that effort. We'll validate your teachings through engaging and educational presentations designed to deliver character development in a unique and powerful format.

Enrichment Program

"Transform your facility into a Dojo"

We will recreate the experience of an actual martial arts class for your group. Participants will experience a fun, motivational, high energy class loaded with skills designed to strengthen the body and stimulate the mind. The classes will focus on five main components: character development, fitness, basic martial arts, personal safety, and concentration skills.

- Participants will receive lesson cards containing character assignments for home and school
- Includes a certificate of completion
- Optional graduation and demonstration for family members

Time Involved: Six 45 Minute Lessons

Appropriate Grades: 1st through 12th Grade
