Our mission is to support that effort. We'll validate your teachings through engaging and educational presentations designed to deliver character development in a unique and powerful format.

## Leadership Seminar

**"If you don't stand for something, you'll fall for anything."**

Success is not an accident. It requires strength, perseverance, and understanding. True leaders lead through example. They figure out who they are and learn to nurture their relationships with others. They develop their body, mind, and a positive attitude. The term "Kung Fu" simply means "Human Achievement". The thousand year old tradition of five animal Kung Fu is the catalyst for developing five mindsets that will introduce students to the potential leader within.

- Three external mindsets for building strong relationships and communication skills
- One internal mindset for discovering core values, setting goals, and a commitment to personal growth and development
- One implementation mindset to integrate and apply the other four appropriately
- Includes workbook

**Time Involved:** Six 60 Minute Lessons
